

CHELTENHAM COMMUNITY CENTRE

COVID - 19 UPDATE

As announced on 6th September 2020, stage 4 restrictions are still in place and Cheltenham Community Centre's doors are closed to the public. However, we are still providing great quality community programs. We hope you will join us!

Childcare

Our Childcare program is open for permitted workers and vulnerable children.

On the 28th September this will be reviewed by the government, for consideration of a full re-opening for all families. For now, our wonderful childcare educators are working behind the scenes to support our families with children who cannot attend, with remote learning.

For further information, contact Tammy - Childcare Coordinator, tammyr@chelt.com.au

Adult Education

Our Adult Education programs are being delivered through remote learning, which includes online classes using Zoom and mailing out workbooks. You can find our current Adult Education Timetable [here](#). For further information and to enrol in our courses please contact Sara, our Adult Education Coordinator, on email: sarag@chelt.com.au

Recreation

Our fantastic health and wellbeing programs available online via zoom.

World Wednesday Lunch Delivery

Our World Wednesday Lunch program is being delivered door to door at Chesterville Retirement Village, and local residents in the 3192 postcode. Due to restrictions, we are only delivering to current customers, but hope to expand our delivery base soon. You can find our current menu [here](#). For further information email Sharon: sharonb@chelt.com.au
