ABOUT

Cheltenham Community Centre (CCC) is a not for profit organisation that strengthens community by offering people a diverse range of community services, learning opportunities and resources for personal development.

CCC has over 1000 participants attending a wide variety of services and programs each year, including adult education, childcare, health & wellbeing programs for adults and children, a netball club, and a community cafe.

CCC is supported by funding from a number of organisations. These include Adult Community and Further Education Board (ACFE), the Department of Families, Fairness and Housing (DFFH), the Department of Education and Training (DET), and the City of Kingston. CCC is one of the largest community providers of the Adult Migrant English Program (AMEP).

CCC believes in working in partnership with local agencies, learning institutes and government to provide individuals and the community with quality programs. CCC enjoys a positive working relationship with Southern Community Church of Christ (SCCC) to deliver community festivals, improve facilities for community programs and work on special projects.

All programs at CCC are conducted by highly qualified and experienced staff, while governance of CCC is overseen by a volunteer Board of Governance.

Students with specific needs or disabilities

CCC encourages applications for enrolment from students with specific needs. Within the capabilities of the organisation, we will endeavour to meet the additional needs of students provided they meet the entry requirements of the course.
